

INCIDENT ACTION PLAN

Florida Bugaboo Fire

Saturday
June 16, 2007
Day Shift

Type III Incident Management Team
Steve Ripley/Pete Myers – Incident Commander

INCIDENT OBJECTIVES	1. Incident Name	2. Date Prepared	3. Time Prepared
	Florida Bugaboo	06/15/2007	1500
4. Operational Period – 06/16/2007 Saturday 0700-1900			
5. Incident End State			
Provide containment and control resources adequate for a nominal threat of escape. Rehab of control lines and mitigate impacts to natural and cultural resources adequate for returning management of the incident to the district. Excess supplies as well as trash will be removed from the line.			
5. Incident Objectives			
<ol style="list-style-type: none"> 1. Provide for safety of fire suppression forces assigned to the Florida Bugaboo Wildfire, and the general public, by adhering to LCES, work/rest guidelines, and maintaining public awareness of risks to the community. 2. Maintain and improve relationships with all cooperator, adjacent landowners including GOAL organization and the affected communities, local government and emergency management officials. Involve them in the planning process, and keep them informed on all fire activities. 3. Provide training opportunities for State, Federal, and Local governments and cooperators in the areas of Incident Command and Fire Management. 4. Manage the assigned fire and any new starts delegated to the team using unified command in a manner consistent with the Florida Division of Forestry and the U. S. Forest Service fire management policies. 5. Provide a strong commitment to cost containment. 			
6. Strategy			
Maintain suppression resources to a level manageable by a Type III organization that will provide continued patrol, mop up and rehab on the Florida Bugaboo Fire and support local agency needs.			
7. Human Resource Policy			
<p>This Type 3 Organization is committed to a “zero tolerance” policy against inappropriate behavior during incident operations. We expect an attitude of mutual respect for all Incident personnel and the public we serve. Any form of harassment, discriminatory practices, or disrespectful behavior will not be tolerated and will be dealt with appropriately. Illegal drug use or other illegal activities will not be tolerated and will be turned over to local law enforcement authorities. Alcohol is strictly prohibited from the fire camp and all other incident locations. Violation of these standards of conduct can result in prompt dismissal from the incident.</p> <p>Individuals who are aware of any inappropriate behavior of incident personnel should tell their supervisor.</p>

8. Medical Emergency Procedures									
<p>Any injuries or illnesses should first be reported to the Div. Supervisor. Div. Supervisor will notify line Safety Officer and the Communications Unit with type of illness/injury and exact location. Communications will clear the air for emergency traffic and notify the Incident Safety Officer and the Medical Unit for advice on further care. When the meeting point has been arranged between responding rescue crews and on scene personnel with the patient(s), those crews with the patient(s) <u>need</u> to remain at that location until rescue crews arrive. Should an incident occur, please call the assigned EMT:</p> <p>EMT-I Steve Meyer - Cell: (386) 466-8273</p> <p style="padding-left: 40px;">Cell2: (870) 421-0640</p> <p>DIVS: For injury/illness: Please provide mechanism of injury, level of consciousness, and general condition of patient. SPECIFY IF INJURY/ILLNESS APPEARS TO BE LIFE-THREATENING.</p>

SAFETY MESSAGE

Florida Bugaboo
6/16/07
07:00 - 19:00

During Rehab operations it is easy to forget or dismiss the safety requirements that we always implement on a "going" fire. Practicing safety today will make it automatic for you on your next assignment.

It's early in the fire season we all have a long way to go. You are our number one resource, take care of yourself!

- Drive defensively
- Stay hydrated
- Practice good hygiene
- Stay well clear of heavy equipment
- Dozer bosses choose a pertinent safety topic and include it in your tailgate briefings.
- Communications let your supervisor know where you are.

Scott Wuebber
Incident Safety Officer
