<b>8. Medical Emergency Procedures</b>								
<p><b>Please identify the EMT and Paramedics in your crews. All medical emergencies will be reported to the Division Supervisors. The Div. Supervisor will notify communications via radio or cell phone. Report should include location, type and number of injuries, medical and transport needs. Any on scene EMT will stabilize patient. Communications will clear radio traffic and will request all key personnel to report to communications. The MEDL will respond to communications and coordinate additional treatment, resources, and transportation needs. The term Medivac is to used for life treating evacuations only. Medical Transport will be used for non-life treating injuries or illness. Phone at medical unit (727) 243-4144</b></p>
