Alternate Primary Line	Black Line	Management Action
DIVS B		Initiate air support use hand crews and engines to try to stop fire small. Initiate contingency dozer line on north side of mountain. If IA fails on top of mountain contingency line will be needed to stop fire at base of slope.
DIVA		If fire crosses black line initiate structure protection for houses and cabins in DIVA. Use hand crews and engines to try to contain any spot fires as small as possible. If IA fails, use road system to contain fire.
DIVC		If fire crosses blackline initiate structure protection. Utilize dozer and crews to contain fires.
