**There is a security question set for password recovery:**

**What city were you born in? – Answer is - Atlanta**

**\*If you are a Forest Service employee, this access to AGOL should be temporary – you should request access through Eric Schmeckpeper – [eschmeckpeper@fs.fed.us](mailto:eschmeckpeper@fs.fed.us) – and let him know it is for a fire assignment and that you need GISS role to edit in AGOL.**
