The screenshot shows a help page titled "Update Google Earth & Earth Pro". It includes a sidebar with navigation links, a main heading, a sub-heading, and a list of download links for various versions of Google Earth Pro. A red arrow points to the "v7.1.8.3036 for Windows" link.

Update Google Earth & Earth Pro

You can install [Google Earth](#) or [Google Earth Pro](#) to auto-update.

Download Google Earth or Earth Pro for computers

If you need to manually update Google Earth, you can download the most recent 6.2 and 7.x direct installers. The following installers do not auto-update (not recommended).
