,	al period and in 12-, 24-, 48-, and 72-hour time frames:
12 hours:	Continue to receive commodities at county staging area for distribution to evacuation shelters and affected areas in Jefferson County.
24 hours:	Continue to receive commodities at county staging area for distribution to evacuation shelters and affected areas in Jefferson County.
48 hours:	Continue to receive commodities at county staging area for distribution to evacuation shelters and affected areas in Jefferson County.
72 hours:	Continue to receive commodities at county staging area for distribution to evacuation shelters and affected areas in Jefferson County.
Anticipate	ed after 72 hours: Continue to receive commodities at county staging area for distribution to evacuation shelters and affected areas in Jefferson County.
Provide su	gic Objectives (define planned end-state for incident): upport and assistance to City of Port Arthur, as requested by DDC15 for needs of life sustainment (food, water and facilities).
primary ir critical inf	nt Incident Threat Summary and Risk Information in 12-, 24-, 48-, and 72-hour timeframes and beyond. Summarize incident threats to life, property, communities and community stability, residences, health care facilities, other irastructure and key resources, commercial facilities, natural and environmental resources, cultural resources, and of operations and/or business. Identify corresponding incident-related potential economic or cascading impacts: Continued flooding will present risks to both responders and the public. Limited access will hamper response efforts.
24 hours:	Continued flooding will present risks to both responders and the public. Limited access will hamper response efforts.
48 hours:	Continued flooding will present risks to both responders and the public. Limited access will hamper response efforts.

Incident: Harvey - Team 3

efforts.

Anticipated after 72 hours: Continued flooding will present risks to both responders and the public. Limited access will hamper response efforts.

39. Critical Resource Needs in 12-, 24-, 48-, and 72-hour timeframes and beyond to meet critical incident objectives. List resource category, kind, and/or type, and amount needed, in priority order:

12 hours:

24 hours: Additional PODs in Jefferson County, EOC requests 4 additional PODs

48 hours: Additional PODs in Jefferson County, EOC requests 4 additional PODs

72 hours: Additional PODs in Jefferson County, EOC requests 4 additional PODs

Anticipated after 72 hours:

- 40. Strategic Discussion: Explain the relation of overall strategy, constraints, and current available information to:
- 1) critical resource needs identified above,
- 2) the Incident Action Plan and management objectives and targets,
- 3) anticipated results.

Explain major problems and concerns such as operational challenges, incident management problems, and social, political, economic, or environmental concerns or impacts.

Communications between response efforts seems to be a problem leading to some duplication of effort.

41. Planned Actions for Next Operational Period:

Continue operation of county staging area and support of Jefferson County EOC.

- 42. Projected Final Incident Size/Area (use unit label e.g., "Acres", "Square Miles"):
- 43. Anticipated Incident Containment or Completion Date:
- 44. Projected Significant Resource Demobilization Start Date:
- 45. Estimated Incident Costs to Date: \$45,000.00
- 46. Projected Final Incident Cost Estimate:
- 47. Remarks (or continuation of any blocks above list block number in notation):
 - 49. Resources (summarize resources by category, kind, and/or type; show # of resources on top ½ of box, show # of personnel associated with resource on bottom ½ of box):
- 53. Additional Cooperating and Assisting Organizations Not Listed Above:

Jefferson County EOC, TX National Guard
