Staging area 1: At end of 5 Mile Rd where it becomes FR 820. Trailering difficult beyond this point.

Staging area 2: At hunter walking trail trailhead at the end of FR 820. Minimal parking here.

Access (from staging areas):

Follow FR 820 to the hunter walking trail trailhead. UTV only beyond this point. There is a sensitive species concern in the vicinity of the gate at the trailhead, so do not drive off trail in this area. After going through gate, take first right onto trail 116A. Continue on 116A until you arrive at the south end of the unit at DP 9.
