The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being correct or revised, etc. Using GIS products for purposes other than those intended, for which they were created, may lead to **misuse and/or misinterpretation** of the data. The Forest Service bears the right to correct, update, modify, or replace GIS products without notification. For more information contact:
Superior Ranger District
P.O. Box 660
209 W West Riverside Dr
Superior, MI 49872
