1 Mile

NOTE:

When the Forest Service performs construction, delete the word "specified" from transportation facilities items listed herein.

Notwithstanding the provisions of B2.12 and B2.3 all dead trees not otherwise designated for removal shall be left standing outside cutting units, except trees felled for safety.

The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace, GIS products without notification. For more information contact:
